Liability Waiver

My Assumption of Risk: I acknowledge that Northland Agility's premises, and the animals, guests, items and activities thereon, pose dangers to people and animals. Such dangers include, by way of example and not limitation, animals that can bite, trip, knock down, and fight, indoor and outdoor surfaces that may be slippery, equipment that can trip, guests and clients who cannot control their dogs, and activities involving my dog and/or other dogs that can result in injury from bites or other causes. Accordingly, I, on behalf of myself, my spouse and minor children, and anyone else whom I bring onto the premises, assumes the risk of injuries, losses, damages, costs and expenses of every possible cause and description unless inflicted intentionally or recklessly by the agents of Northland Agility. If my dog is injured in a dog fight or an accident, gets fleas, ticks or worms, contracts any illness or disease, is lost or stolen, becomes pregnant, or engages in any dangerous, vicious or unwanted behavior, during or after the term of this agreement on or off the premises, I accept the risk of the same and agree that Northland Agility and its agents shall not be held responsible for it or any resulting injuries, losses, damages, costs or expenses.

My Liability: If my dog causes property damage, or bites or injures any dog, animal or person, (including but not limited to the instructors or agents of Northland Agility) during or after the term of this agreement, on or off the premises, then I agree to pay all resulting losses and damages suffered or incurred by the members of Northland Agility, and its agents and instructors, and to defend and indemnify Northland Agility and its agents and instructors from any resulting claims, demands, lawsuits, losses, costs or expenses, including attorneys' fees.

I assume all risks from injury that may occur to me or my dog from participating in classes and open gym time at Northland Agility.

I will be polite, courteous, helpful, and display good sportsmanship. Failure to do so could result in my class participation and/or membership being terminated without refund.

Northland Agility Policies and Rules Agreement, effective 2/1/2012

Welcome to our training facility! We want everyone to have an enjoyable experience and we ask that you use the following policies and rules when visiting our facility.

- Please check in each time you enter the facility and register and remit for all training guests.
- Allow your dog to relieve itself prior to entering the building. Please use bags to pick up any waste your dog leaves and throw the bags in an outdoor waste receptacle. If your dog has an accident inside the building, please clean up after your pet immediately and dispose of the waste in the outdoor receptacle.
- Please help us to keep the training floor in good condition by keeping it clean and dry. Please wear comfortable and clean rubber-soled shoes while working on the training floor. Please be sure your shoes and your pet's feet are clean and dry before working on the training floor.
- Keep your dog on a lead at all times unless you are working inside the training area. For the safety of all concerned, Flexi-leads WILL NOT be allowed on the premises.
- Northland Agility is a positive training facility. Please treat your canine friend with respect and love and be sure that both of you have fun. Harsh training methods WILL NOT be tolerated. No shock collars are allowed on the premises.
- You may bring a crate for your pet. Be sure to label your crate if you plan on leaving it at the building. Be aware that others may use your crate when your pet is not present at the facility. Please remove your pet from a borrowed crate if the crate's owner arrives and needs it for their own pet. Be respectful of others' crates and clean up any dirt, messes, water or food your dog might leave in the borrowed crate.
- Understand that if other members show up to train during your visit, floor time is limited to 10 minutes per training segment, and members are expected to rotate training segments in a spirit of cooperation.
- Do not leave your pet unattended at the training facility or in your vehicle.
- Do not tie your pet to objects that will not hold them securely or that may put them in danger. Do not leave dogs unattended in unsecured areas or chairs. Dogs not working or being held should be placed in crates.
- Please use caution when approaching other dogs. Not all dogs are friendly and want to socialize. Do not permit your dog to jump on other people unless invited.
- Do not enter any area designated as a restricted area.
- There is No Smoking on the premises.
- Do NOT adjust the heat without approval of a representative from Northland Agility.
- Do NOT move heavy contact obstacles without the approval of a representative from Northland Agility to avoid damage to the floor.
- Dogs in season are NOT permitted in the building.

Northland Agility has the right to terminate access to the building for violation of the above policies and rules.

I agree to abide by the Northland Agility Policies and Rules, and I understand that violating these rules may result in a loss of my membership and monies paid. I have agreed to and signed the Northland Agility Liability Waiver (on the other side of this form) and agree to hold harmless Northland Agility and its agents.
